Late Fees	10% of the balance due, minimum \$10	
NSF/Reversed Charge Fee	\$reimbursement of any bank fees assessed to Studio	

PAYMENT PROCEDURES

We collected all Spring tuition payments pretty much on time. We have no lingering accounts due or balances owed. Thank you to everyone who made that process run smoothly. We will continue to collect payments as follows:

- 1) The monthly payment is due at the first class each month the dancer attends. Payment is to be made to the area coordinator or her designated assistant at that first class.
- 2) Registration Fees will be due the first week of classes.
- 3) We will continue to accept only cash and checks.
- 4) A Late Fee of 10% of the amount due, minimum of \$10, will be assessed on the 10th of each month for tuition due.

AN DAIRE CLOTHING

If you would like to place an order for An Daire clothing and other products, order forms are available from the location coordinator. (Hopefully, we will soon have a volunteer to coordinate An Daire product orders.)

SCHOOL COSTUMING

A limited number of used school dresses and school jumpers are still available. Contact Lauren if you are interested.

DROP-IN CLASSES

Drop-in classes must be paid for at the time of the class. We don't usually have an issue with accommodating a drop-in dancer, but please let the location coordinator know you/your dancer will be coming so we can give the instructors a heads-up.

Registration
